❖ **Higher Secondary Certificate (12th)**
 – Kai. V. Na. Secondary and Higher Secondary School Telwadi Kannada Sambhajinagar [State board Pune Maharashtra]

❖ **Secondary School Certificate (10th)**
 – S. P. S. High school Kalimath Kannad Chh.Sambhajinagar,
 [State board Pune Maharashtra]

PROJECTS

❖ **1)Campus Connect – MongoDB based our College Admission portal**

Developed a cutting-edge web application, Campus-Connect, to streamline admission processes, reducing paper waste and enhancing efficiency. Built with HTML, CSS, JS, Node.js, Express.js, and MongoDB, this platform empowers educational institutions to manage admissions online, effortlessly.

Impact and Benefits:
- Transformed admission processes, reducing paper waste and minimizing administrative   overhead.
- Enhanced user experience with a streamlined, online application process, accessible from anywhere.
- Demonstrated expertise in developing innovative, eco-friendly solutions for educational institutions

❖ **2)Portfolio**

This portfolio showcases my expertise in the MERN stack, demonstrating my ability to design and develop a comprehensive web application. I'm excited to bring this skillset to a new role and continue growing as a developer.

Features and Functionality:
- Developed a user-friendly interface for showcasing projects, skills, and experiences, making   it easy for viewers to navigate and understand my portfolio.
- Included a about section, demonstrating my ability to integrate a CMS-like feature and showcase my writing skills.
- Implemented a contact form, highlighting my understanding of frontend-backend interaction and API integration.
